

Girls in Sports AB is looking for female athletes who have experience at the pro-level (Team Canada/international) or university experience in their sport and are willing connect with clubs, teams and girls to provide mentorship advice. GISAB would like female athletes who share a similar vision as our company and want to help increase girl's participation in sport.

Responsibilities:

- allow girls in all sports to connect with them through email or their social media platforms to ask any sport related question
- provide sessions with teams and clubs (This part is still developing, there will be monetary compensation for these sessions, amount TBD at this point). These sessions will be limited per month, unless you wish to take more on. All sessions will be done over a video platform.
- this position can be done remotely as most session will be done through video call so you don't have to be located in Alberta

Application process:

- 2 sports references (if you could also provide a letter of reference as well, it would help)
- brief bio on your sports history and why you are interested in this program
- police check
- zoom meeting with Dia Syed

If successful, there will be a contract to sign

Documents can be sent to Dia Syed at girlsinsportab@gmail.com
